

OVERDRIVE

I.M

Deep down on my body, I feel alive
Heat my engine harder till I die
Speedin' on my lane, go overdrive, yeh

Deep down on my body, I feel alive
Heat my engine harder till I die
Speedin' on my lane, go overdrive, yeh

Forget yesterday, I'm runnin' on my lane, yeh
I ain't nothin' to pay, something I gotta chase, yeh
It ain't for display or for the surface, yeh
Even your touché

All I want is new, even if I'm turning blue
Jigeumi animyeon jeoldae an doeneun i gibun
I modeun geon jinaganeun hansunganil ppun
Hit me harder 'cause I make myself overused

100 bags full of racks no need for my next
Heogijin nae meorien keun chunggyeogi pillyohae
Dwirohae side effects
Ride, ride, ride, ride, ride, ride, ride, ride
I'm runnin' on my lane, yeh

Askin' all the time, I don't know what's in ma mind, yeh
Geupaji aneum daeume yaegihae 'cause I'm movin'
Malhae bwado neon ihae mothaneun nau vision
I don't want to miss it, open up and listen

I heard they were chirping on my back, huh
Nae du nuneun apeul hyanghagie
Sorry to my friend ain't time for that, yeh
Naegen dallil sigando bujokae

I ain't pop champagne till I make it rain
I cannot contain what's in my brain
I drive me insane and do this again
Forget yesterday, I'm runnin' on my lane

Deep down on my body, I feel alive
Heat my engine harder till I die
Speedin' on my lane, go overdrive, yeh
