

Get To Know You

IM5

You got that something custom tailored for me
I wanna try you on and wear you all day
You got that something something serve it to me
I'll give you five stars so give me a test

I need some more of you
Don't keep me waiting now
I got it bad for you

All I wanna do
Is get you all alone
Can I hold you close
Tell me girl cause'
All I want is you
You and no one else
Keep you to myself
No time to take it slow

Girl, let me get to know ya (let me get to know ya)
Girl, let me get to know ya (let me get to know ya)

You got that something I can watch it for days
One of a kind you ain't no copy and paste
You got that something something that can't be tamed
The way you move got me some type of way

I need some more of you
Don't keep me waiting now
I got it bad for you

All I wanna do
Is get you all alone
Can I hold you close
Tell me girl cause'
All I want is you
You and no one else
Keep you to myself
No time to take it slow

Girl, let me get to know ya (let me get to know ya)
Girl, let me get to know ya (let me get to know ya)

[Rap:]
Aye girl, let's have a conversation
Runnin' through my mind do I have your heart racin'
My meet you're blazin', put out the flame
Hop in my ride, let me drive you insane
Stop, let me get to know you
Get up and over, rev up the motor
Take you round town
Yeah you know it's going down
Let me get up on all your curves
Roundabout

No one can ever compare (hey)
You hit me hard like a snare (hey)
Put your hands up in the air (hey)

All I wanna do
Is get you all alone
Can I hold you close
Tell me girl cause'
All I want is you
You and no one else
Keep you to myself
No time to take it slow

Girl, let me get to know ya (let me get to know ya)
Girl, let me get to know ya (let me get to know ya)
Girl, let me get to know ya (let me get to know ya)
Girl, let me get to know ya (let me get to know ya)
