Superman

IM5

I did everything
That you asked of me
And more
Went to the moon and back
All you went was out the door
Know that I lived up
To my side of the deal
But I have a heart of gold
But not a heart of steel

And I waited on you
With the patience of a saint
So don't think I'm walking on air
When I'm walking away

You should know

That I'm hurting too
I ain't bulletproof
Noooooo
Torn up saying hi to your goodbye
Sticks and stones may break my bones
But your words break my heart
I'm not as strong as you think I am
I'm no superman

You say I'll have girls
Lining down the street
Don't be sad we split
There's a lot of fish in the sea
Think I'm moving on so soon
I'm doing fine

But I can't forget your face just yet
Like you forgot mine
Love is blind but you're long gone
So can't you see
I'm not invincible
Like you made me out to be

You should know

That I'm hurting too
I ain't bulletproof
Nooooo
Torn up saying hi to your goodbye
Sticks and stones may break my bones
But your words break my heart
I'm not as strong as you think I am
I'm no superman

They say letting go is tough
But holding on hurts just as much
Think I can't feel pain
But I fell hard for you
Did you forget that that I'm human too

You should know

That I'm hurting too
I ain't bulletproof
Nooooo
Torn up saying hi to your goodbye
Sticks and stones may break my bones
But your words break my heart
I'm not as strong as you think I am
I'm no superman
