

## Pass it On

Ima Robot

Pass it on  
Pass it down  
Pass it off  
All around

Pass it on and move to pry your love  
Pass it on and move to pry your love

Pass it in  
Pass it on  
Pass it up  
And pass it down

Pass it on and move to pry your love  
Pass it on and move to pry your love

Pass it in  
Pass it there  
Through the air  
And everywhere

Pass it on and move to pry your love  
Pass it on and move to pry your love

Oh  
Goodnight my pain  
It's with love I say goodnight  
With love

Pass it on  
Pass it down  
Pass it off  
All around

Pass it on and move to pry your love  
Pass it on and move to pry your love

Pass it in  
Pass it there  
Pass it off  
Everywhere

Pass it on and move to pry your love  
Pass it on and move to pry your love

Oh  
Goodnight my pain  
It's with love I say goodnight  
With love

Pass it in  
Pass it there  
Pass it everyway  
Pass it on  
Pass it down  
Pass it on  
And pass around

Pass it on  
Pass it down  
Pass it on  
Pass around  
Pass it here  
Or pass it there  
Pass it off  
In everyway

So pass it in  
Pass it there  
Pass it on  
Pass it down  
Pass it here  
Pass it there  
Everywhere  
And all around

Pass it on and move to pry your love  
Pass it on and move to pry your love

Pass it in  
Pass it there  
Pass it off  
Everywhere

Pass it on and move to pry your love  
Pass it on and move to pry your love

Pass it in  
Pass it there  
Pass the love  
Everywhere

Pass it on and move to pry your love  
Pass it on and move to pry your love
