

# Ruthless

Ima Robot

Hello, it's been a long time  
May I introduce you two to everything?

Hey your love should lay on  
Yes, love  
Hey your love should lay on  
Yes, love

The moonlit day beyond, twinkling guns  
Where walls and inkling shores far in the distance  
You need assistance recalling  
In a perfect world you dreamed before  
Beneath the million smiles  
You wild, you last baskin' in the shower  
Your flower has stopped the reason for falling  
Now may I introduce the lord? (yeah!)

Napalm drift through the gates of metropolis  
Blistered and sun kissed  
The priest said "give me one kiss"  
"Come on just one kiss", big radiator  
And headless there in the cold  
And be struck by a guy named Jesus  
Tears running down his cheeks  
He sees us, speaks, my god, love is greater (yeah!)

Never thought that I did not get so young  
The tears spreading back the years  
Peeling off the skin soft beneath with no creases  
Yes from that magnum cobalt, I scream louder (yeah!)  
And I felt no longer  
Had to be the disinfected youth I was  
For the truth, this love is my desire  
It's love (love!)

Come demons dear, or phantom fears  
Your shadows almost had me dead  
Till love, and I had been soldier now  
Glory, ruthless

Hey-oh, hey-oh, hey-oh, hey-oh  
Hey-oh, hey-oh, hey-oh, hey-oh  
Ruthless  
Hey-oh, hey-oh, hey-oh, hey-oh  
Hey-oh, hey-oh, hey-oh, hey-oh  
Ruthless  
Hey-oh, hey-oh, hey-oh, hey-oh  
Hey-oh, hey-oh, hey-oh, hey-oh  
Ruthless (ruthless)

Come demons dear, or phantom fears  
Your shadows almost had me dead  
Till love, and I had been soldier now  
Glory, ruthless
