

Chasing the Sunset

Imaginary Cities

[Verse 1]

Count me in, darling I wanna know
Do your plans carry me?
I could leave if you plead me to go
'Cause I've been through days like these

Is it hard, so hard to believe?

[Chorus]

Wouldn't you please allow
Just a little of this, my love?
Chasing the sunset 'round the world
Older habits are dying young

[Verse 2]

You've been leaving me in the black
And I don't know what to think
I'll be here if you chose to come back
And you can make it up to me

Is it hard, so hard to believe?

[Chorus]

Wouldn't you please allow
Just a little of this, my love?
Chasing the sunset 'round the world
Older habits are dying young

[Bridge]

If you'll maybe let me be
The girl that you'll need
I can grow into the one you want
Something's gotten in the way
Of you loving me
But I'm all that you've got

[Chorus]

Wouldn't you please allow
Just a little of this, my love?
Chasing the sunset 'round the world
Older habits are dying young
