

# Cool Out

Imagine Dragons

Just before I go  
Yes I know that I'm losing control and  
I wanna take things slow  
Put my mind in cruise control  
I know I'm always pacin'  
And I blame it on the pressure I'm facin'  
I wanna take things slow  
Put my mind in cruise control

Standin' on your front porch, sayin' "Don't go"  
You were lookin' at me wild, sayin' "Just go home and..."

Cool out  
'Cause baby I don't think I'm the one for you  
So just, cool out  
'Cause baby I don't think I'm the one for you  
So cool out, stay high  
Stay fresh, play nice  
So just, cool out  
'Cause baby I don't think I'm the one for you  
So cool out

Always sayin' that you read my sign and  
Always wishin' that I'd take the time but  
You know that's not my speed  
Only believe what I can see  
I live my life in black and white  
I know that's not what you would like  
But that's all I know  
I put my mind in cruise control

Standin' on your front porch, sayin' "Don't go"  
You were lookin' at me wild, sayin' "Just go home and..."

Cool out  
'Cause baby I don't think I'm the one for you  
So just, cool out  
'Cause baby I don't think I'm the one for you  
So cool out, stay high  
Stay fresh, play nice  
So just, cool out  
'Cause baby I don't think I'm the one for you  
So cool out

All the things that you detest in me  
They keep you comin' back for more you see  
We make each other get a bit crazy  
But you will always be a part of me

Cool out  
'Cause baby I don't think I'm the one for you  
So just, cool out  
'Cause baby I don't think I'm the one for you  
So cool out, stay high  
Stay fresh, play nice  
So just, cool out  
'Cause baby I don't think I'm the one for you

So cool out  
Cool out  
So cool out
