

Easy Come Easy Go

Imagine Dragons

All my friends are gone, I don't blame them
I guess I'll move on, do the same thing
So I wrote a song to be my lullaby
Sing me to sleep at night, open my third eye

I'm not gon' lie to you, I miss you so much
Tell me what I did wrong to lose touch?
I'm not gon' lie to you, this has been a hard year
Oh, I wish that you were here

I just need to let it go, waitin' on a miracle
Guess that's just the way it goes, easy come, easy go
I just need to let it go, turn it down and lay low
It's just the way it goes, easy come, easy go

Sometimes I drive a little too fast
Think I'm runnin' from demons of my past
So I wrote a song to help me slow down
Keep my mind straight, but it's a bit late

I'm not gon' lie to you, I miss you so much
Tell me what I did wrong to lose touch?
I'm not gon' lie to you, this has been a hard year
Oh, I wish that you were here

I just need to let it go, waitin' on a miracle
Guess that's just the way it goes, easy come, easy go
I just need to let it go, turn it down and lay low
It's just the way it goes, easy come, easy go
I just need to let it go (I just need to let it go), waitin' on a miracle (W
aitin' on a miracle)
Guess that's just the way it goes (Guess that's just the way it goes), easy
come, easy go
I just need to let it go (I just need to let it go), turn it down, and lay l
ow (Lay low)
It's just the way it goes (It's just the way it goes), easy come, easy go

Remember when you got sick, cancer of the bone
Everyone at school while you sitting at home
In your wheelchair of grief, find no relief
We were there for the ups and downs and there for the constant rounds of che
mo
Yeah, you know that you are our hero
You were there when I was a zero
And I swear I'll make things right before the long night
Swear I'll make things right tomorrow
But as for tonight

I just need to let it go (I just need to let it go), waitin' on a miracle (W
aitin' on a miracle)
Guess that's just the way it goes (Guess that's just the way it goes), easy
come, easy go
I just need to let it go (I just need to let it go), turn it down, and lay l
ow (Lay low)
It's just the way it goes (It's just the way it goes), easy come, easy go
I just need to let it go (I just need to let it go), waitin' on a miracle (W
aitin' on a miracle)

Guess that's just the way it goes (Guess that's just the way it goes), easy
come, easy go
I just need to let it go (I just need to let it go), turn it down, and lay low (Lay low)
It's just the way it goes (It's just the way it goes), easy come, easy go

I just need to let it go (I just need to let it go), waitin' on a miracle (Waitin' on a miracle)
Guess that's just the way it goes (Guess that's just the way it goes), easy
come, easy go
I just need to let it go (I just need to let it go), turn it down, and lay low (Lay low)
It's just the way it goes, easy come, easy go
