

# Follow You

Imagine Dragons

kapo 2

1. You know I got your number number all night  
I'm always on your team, I got your back alright  
Taking those taking those losses if it treats you right  
I want to put you into the spotlight  
If the world would only know what you've been holding back  
Heart attacks every night  
Oh you know it's not right

R: I'll follow you way down wherever you may go  
I'll follow you way down to your deepest low  
I'll always be around wherever life takes you  
You know I'll follow you

2. Call you up, you've been cryin' cryin' all night  
You're only disappointed in yourself alright  
Taking those taking those losses if it treats you right  
I wanna take you into the sunlight  
If the world would only know what you've been holding back  
Heart attacks every night  
Oh you know it's not right

R: I'll follow you way down wherever you may go  
I'll follow you way down to your deepest low  
I'll always be around wherever life takes you  
You know I'll follow you, dadadadadada dadadadadada  
dadadadadada You know I'll follow you  
dadadadadada Wherever life takes you,  
you know I'll follow you
