

You gotta get yourself together, kid

You gotta get yourself together, kid  
You got to keep it together  
Yeah, pull your trousers up, you're hosing it  
You gotta get your, get your, get yourself together

I'm chasing dreams since I left the womb  
So keep that chin up, young one, you'll bloom

You gotta get yourself together, kid  
Get yourself together  
You gotta get it together  
Get you, get you, get you, get you  
Pull your trousers up, you're hosing it  
You gotta get your, get your, get yourself together

You gotta get yourself together, kid  
Oh, how American  
You think you're born to be the better  
You gotta take your losses as a win  
Give me my medicine  
Any amphetamine, whatever

I'm chasing dreams since I left the womb  
You gotta keep that chin up, young one, you'll bloom

You gotta get yourself together, kid  
Get yourself together, kid  
You gotta get it together  
Get you, get you, get you, get you  
Pull your trousers up, you're hosing it  
Get yourself together, kid  
You got to get your, get your, get yourself together

It's alright  
All in time  
It's alright  
All in time  
You will take flight

Get yourself together, kid  
You gotta get it together  
Pull your trousers up, you're hosing it  
Get yourself together, kid  
You got to get your, get your, get yourself together

Get yourself together, kid  
It goes on and on and on and on  
Get yourself together, kid  
It goes on and on and on  
Get yourself together, kid  
Get yourself together, kid
