Imagine Dragons

Oh pretty baby, you're my motivator
Got me changin' my words and my behavior
Pretty lady, you're my operator
Got me dialin' your number just to hear ya

Tell me the things that you want
I give you all that I've got
Open your eyes, then you will see

It's just you and me
Only
Throwin' out the key
Just livin' in a dream
It's just you and me
Only
Listen to you breathe
Just livin' in a dream
It's just you and me

My disaster, you're my only answer
You got me thinkin' that I could be your master
Pretty baby, you're my heavy ocean
Wear me down and give me your devotion

Tell me the things that you want (You want)
I give you all that I've got (I've got)
Open your eyes, then you will see

It's just you and me
Only
Throwin' out the key
Just livin' in a dream
It's just you and me
Only
Listen to you breathe
Just livin' in a dream
It's just you and me

Take, take me over
Take me over
I don't wanna wake up
It's just you and me
Take, take me over
Take me over
I don't wanna wake up
It's just you and me

Dreamworld...
Dreamworld...
(Take me over
Take me over
I don't wanna wake up
Wake up, wake up)
Wake up!

Listen to you breathe
Just livin' in a dream

It's just you and me
Only
Throwin' out the key
Just livin' in a dream
It's just you and me

(Dreamworld...)
It's just you and me
(Dreamworld...)
Only
