

Strange Ways

Imagine Dragons

I called your number just yesterday
It went directly to your voicemail
Takin' lemons, makin' lemonade
Wrote a letter, sendin' snail mail

'Cause every time I look at you
It's like I'm lookin' at my soulmate

Oh, stay until you go
I know you want me, darlin' (I know)
You show it in the strangest ways
But I know you want me, darlin' (I know)

I traveled near and far to find you
Sailed the oceans to your foreign land
There's not a man who could deny you
I throw a party to invite you

'Cause every time I look at you
I know I'm lookin' at my soulmate

Oh, stay until you go
I know you want me, darlin' (I know)
You show it in the strangest ways
But I know you want me, darlin' (I know)

Whoa, take a man and make him crazy
Your love is such a fantasy (fantasy)
Whoa, take a man and make him crazy
Your love is such a fantasy (fantasy)

Oh, stay until you go
I know you want me, darlin' (I know)
You show it in the strangest ways
But I know you want me, darlin' (I know)

Oh, stay until you go
I know you want me, darlin' (I know)
You show it in the strangest ways
But I know you want me, darlin' (I know)
