

The Ghost Intervention

Imagine Dragons

Even though I sweep the floors for you
You break me down 'cause that's what you were born to do
Hot coals that make me bleed for you
No comment, keep on coming back to you

You, you, you, you
Keep on coming back to you
You, you, you, you
Keep on coming back to you
You, you, you, you
Keep on coming back to you
You, ooh
Ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh
Ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh
Ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh

You got me fired up
Breakdown
No one ever wanted something so bad
Oh, oh
No one ever wanted something so bad
Got me fired up
Breakdown
No one ever wanted something so bad
Oh, oh
No one ever wanted something so bad

Even though I sweep the floors for you

Hot coals that make me bleed for you
No comment, keep on coming back to you

You, you, you, you
