Oh, quiet down, I've had enough I guess it's now or never I've been around, I've settled up I'll bolt soon or later I took a photograph of me When I was only nineteen I looked a little lost at sea I keep trying to find me So pray for me brother I need redemption I'm just a man A man on a mission I want no trouble I want no trouble I want no trouble I want no trouble Pray for me sister Give me a mention $% \frac{1}{2}\left(\frac{1}{2}\right) =\frac{1}{2}\left(\frac{1}{2}\right) =\frac{1}{2}\left$ I got no faith And oh did I mention I want no trouble I want no trouble I want no trouble I want no trouble Oh, pack it up and hit the road And only take my lighter I've seen the glitz, I've seen the glam But I prefer the pay dirt I took a photograph of me When I was only nineteen I looked a little lost at sea I keep trying to find me So pray for me brother I need redemption I'm just a man A man on a mission I want no trouble I want no trouble I want no trouble I want no trouble Pray for me sister Give me a mention I got no faith And oh did I mention I want no trouble I want no trouble I want no trouble

Maybe you could save my soul

I want no trouble

From all the things that I don't know Maybe you could save my soul From all the things that I don't know
