

Woke

Imagine Dragons

From a young age I tell you nothing ever quite made sense to me
Birds up in the trees and ice with the season made sense to me

At an old age, I tell you everything you ever learned was wrong
, you see
Pause, take a breath, step back, look up, and see
Can you feel the breeze?

Look to the sky
(Look to the sky)
Look to the sky
And see

Woke up this morning and nothing is wrong with me (yeah, yeah)
Birds in the trees, no ice on the trees, that's right

Look to the sky
(I look to the sky)
Look to the sky (take a look)
And see

Woke up this morning, like
"Hallelujah, I'm alive" (I'm alive)
Hallelujah (hallel-hallelujah)
Woke up this, woke up this
Woke-woke-woke-woke-woke-woke
Diki-da-da-mm-da-da-mm-dadadada
Diki-da-da-mm-da-da-mm-da
Diki-diki-da-da-mm-da-da-mm-dadadada
Dibi-daba-dooba-daba-dooba-daba-da

Devil, I know you got my number, baby, ooh
I know you got my number, baby, ooh
I know you got my number, baby
Woke up this, woke up this

Woke up this morning, like
"Hallelujah, I'm alive" (I'm alive)
Hallelujah (hallel-hallelujah)
Woke up this, woke up this
Woke-woke-woke-woke-woke-woke
Diki-da-da-mm-da-da-mm-dadadada
Diki-da-da-mm-da-da-mm-da
Diki-diki-da-da-mm-da-da-mm-dadadada
Dibi-daba-dooba-daba-dooba-daba-da
