

Mad

Imany

You love me but you don't want me
You need me but you won't call me
You want peace but you will fight me
Please make up your mind
You're leaving but you're also staying
You're too proud but you're also stealing
You're preaching, but you're still lying
Please make up your mind

You're making me mad
And you're making me mad
And you're making me mad
Don't wanna be paying for your crimes
You're making me mad
And you're making me mad
And you're making me mad
Don't wanna be paying for your crimes

I waited for so long
Even wrote you a song
We spoke until dawn
Still don't know what I did wrong
I waited for so long
Even wrote you a song
We spoke until dawn
Still don't know what we did wrong

Oh, please, oh, please
Don't waste my time
Please, oh, please
Make up your mind

You wanna leave, you're mostly sleeping
You wanna top, you're mostly lying
You got a plan, you just be waiting
Please make up your mind
You love me but you don't tell me
You need me but you don't show it
You want peace but keep on fighting
Please make up your mind

You're making me mad
You're making me mad
You're making me mad
Don't wanna be paying for your crimes
You're making me mad
You're making me mad
You're making me mad
Don't wanna be paying for your crimes

I waited for so long
Even wrote you a song
We spoke until dawn
Still don't know what I did wrong
I waited for so long
Even wrote you a song
We spoke until dawn

Still don't know what we did wrong

Oh, please, oh, please
Don't waste my time
Please, oh, please
Make up your mind

Make up your mind
Oh, oh, make up your mind
You're making me mad
You're making me mad
You're making me mad
You're making me mad
You're making me mad
You're making me mad
You're making me mad
You're making me mad
