You know best nothing I won't do for you When you get down, just call me I'll come around, and make it ok, yeah, ooh ooh

And there's just one thing you should know That you will never be alone If you need me, I'll be your friend Just say you'll be my girl

Be my girl
Unlike anyone in the world
Say that you'll be mine
You're the one that I'm dreamin' of
Won't, you, be, my, girl

Don't wanna put any pressure on you Don't be frightened girl (Don't be frightened) I'm a gentleman, until the end This is true (Oh girl, it's true)

And if you look into my eyes You will see you and me together And if you put your hand in mine Trust in me, in time will be The one to give you love, yeah

Be my girl
Unlike anyone in the world
Say that you'll be mine
You're the one that I'm dreamin' of
Won't, you, be, my, girl

I will be yours, until the end of time You are the one that makes my sun shine (Shine) Nothing I won't do for you I'll be here, to see us through

Be my girl
Unlike anyone in the world
Say that you'll be mine
You're the one that I'm dreamin' of
Won't, you, be, my, girl
