Will you spend, sometime with me
You are the girl of my fantasy (Fantasy)
Will you do what I ask you
All I wanna do is, be with you

Be my honey dip

Be mine
Be my honey dip
Be my honey dip
Be my honey dip
Be mine

Will you hottie be with me (Be with me)
Can I dip into you honey (Honey)
Your body's where, I wanted to be
You were gonna be my, honey dip

Ooh, with your sexy body
The way you hold me
You're to send tingles down my back
Will you be mine

Be my honey dip
Be my honey dip
Be my honey dip

Be my honey dip
Be my honey dip
Be my honey dip
Be mine

Yo Romeo, kick it

Honey dip, honey dip, seen a honey dip, dip
Move over down the block
Shorty's on my dock
Saw a honey dip
Now surely had to get

Ooh, take a trip with me
Skip candy love, honey dip with me
I got you just built like Monopoly
Collect call you want
And just be with me
Oh yeah
Boo-yah, the onion's kinda phat

Ooh, with your sexy body
The way you hold me
You send chills down my back
Will you be mine

Be my honey dip
Be my honey dip
Be my honey dip
Be mine
Be my honey dip
Be my honey dip
Be my honey dip
Be mine
