

# Stay The Night

Immature

Ooh ooh baby  
Immature's back, back, back  
Ooh ooh baby baby, ooh ooh baby  
Romeo, L.D.B., Bat (Bat, Bat)  
You wanna get with me tonigh  
Ooh  
Baby, tryin' me, givin' me... all your love  
I will never do you wrong  
Baby, won't you let down your guard  
Then maybe, we can go real far  
(Chorus)  
Ooh ooh Baby  
Say you wanna stay the night  
You know you gotta brother high  
I'll come and pick you up in my ride  
Ooh ooh baby baby  
Baby, I'll be there to get you, around one  
So we can go chill and have some fun  
Baby, let's cuddle, 'til the sun comes up  
And Baby, you know that I love you so much  
(Chorus)  
(Rap by Romeo)  
One, two, three, get down like that  
You didn't know? Well understand  
We can move from the front to the back  
Watch me make you feel like that?  
Make the move's, you don't like the rules  
Take no fools, if that's cool  
Romeo I never lose  
With tha girls I choose  
Immature's back  
Throw your hands in the sky  
Hey Ladies (Yeah)  
Do you think we're tight? (Yeah)  
Immature's back  
Immature's back  
Immature's back  
(Ooh ooh baby)  
Back, back, back  
Immature's back  
Immature, Immature's back  
Hey Ladies (Yeah)  
Do you think we're... (Yeah)  
Immature's back, back  
(Ohh yeah) Throw your hands in the sky  
(Whoa yeah) Hey girls  
Do you think we're tight? (Yeah)
