

# Temptation

## Imminence

Temptation!

Can't believe I ended up here again  
I've seen the signs before  
I can't take it anymore  
This has to end  
I'm going nowhere  
The fire is all I see

Can't escape this time

Temptation  
I couldn't stop to save my life  
Temptation  
This is a battle I have to fight  
One more time

Maybe I could be a hero  
Maybe I could give it all  
It's too late to ask forgiveness  
I'm already in the fall  
I need to take control  
Listen to your heart now

Can't escape this time

Temptation  
I couldn't stop to save my life  
Temptation  
This is a battle I have to fight  
One more time

Temptation  
It's always darkest before the dawn  
Temptation  
I will find somewhere to belong  
Temptation

(I couldn't stop to save my life)

Temptation!  
(I couldn't stop to save my life)  
Temptation!
