

# The Deceiver

## Imminence

Satan is the master deceiver  
And the father of lies  
Pulling blindfold over Christians eyes  
Destined to burn in the fires  
Driven through caverns of hades  
Foul demands gnaw at your flesh  
Your mortal life is taken from you  
But your soul will never rest  
I give my command  
Thousands shall fall  
Wasted lives  
I'll take them all  
Fire, I'll burn your flesh 'till death  
Sadistic lust for terror

Charred to mere consciousness  
Hatred strives forever  
I give my command  
Thousands shall fall  
Wasted lives  
I'll take you all  
Take the wretched lives  
Of those who'd thwart your will  
Foredoomed to suffer  
Their worthless blood we shall spill  
Damned by your weakness  
You denied your evil side  
New dog in priestly white  
You have nowhere to hide
