

Showcase Ov Phlegm

Immortal Disfigurement

Inevitable demise
Crawling from the chapels, collecting for their dismal father
Taking shape of familiar figures
The double doors open for the sisters
Stained-glass cracks and turns to hellish imagery
Blood of Christ spills
Holy structures disfigured in front of his bloodshot eyes

A darkened sanctuary
Temple of betrayal
The adversary
Mangled masterpiece
Fixed as a new shrine at the altar
Ectoplasm fills this forsaken room

Havoc
Abbess
Holy war
Descent
He is home, fire fills the catacombs

A darkened sanctuary, temple of betrayal
The adversary, levitate, consumed by flames
He is home, a bloodlust for pain

A darkened sanctuary, temple of betrayal
The adversary, mangled masterpiece
Fixed as a new shrine at the altar, ectoplasm fills this forsaken room

Flies swarm around the chapel and fill the skies
Ripped limb from limb and devoured by pernicious evil

Havoc
Abbess
Holy war
Descent
He is home, fire fills the catacombs

A darkened sanctuary, temple of betrayal, the adversary, levitate
Consumed by flames, he is home, a bloodlust for pain

Showcase of phlegm, destruction of Bethlehem
Flesh burnt to embers, dismembered and severed, crucify this sacrifice

Destruction of Bethlehem
Fire fills this disfigured altar, another head to the holy slaughter

Disembodied, severed limb from limb
Flesh burnt to embers, seizing ectoplasm, fire swarms the catacombs
Massacre of Bethlehem, he is home

Showcase of phlegm, until we meet again
