

# Earth

Imogen Heap

Baby, behave, we'll make it work  
Are you with me?

You're not golden  
And I'm getting tired  
Act like you own the place  
When really you've only just arrived

I caught first glimmers  
In hides and skins  
Look who's all grown up  
Black swanning about the solar winds

You're gonna lose it all  
And find yourself on your knees  
So, get a grip and you might  
Flow, reverse the great, slow bleed

I've tried patience, but  
You always want a war  
This house won't tolerate any more  
Stop this right away

Put that down and clean this mess up  
End of conversation  
Put your back in it and  
Make it up to me now

The cold shoulder  
Folded arms and looking up  
You've never listened  
And carry on careless, regardless

This is not a fire drill and  
If we hold any hope  
It's harmonic connection  
And stereos in biosis

These legoland empires  
Choking out mine now  
You're everywhere, everywhere  
Multiplying around me, child

A strain on my heart  
This rock can't tolerate any more  
Stop this right away

Put that down and clean this mess up  
End of conversation  
Put your back in it and  
Make it up to me now

Baby, behave, we'll make it work  
(Baby, do you love me?)

Woah, oh, oh, oh  
Woah, oh, oh, oh

Woah, oh, oh, oh (yeh)  
Woah, oh, oh, oh [cont]

You're only what you give back  
Back  
Stop this right away

(Baby, behave, we'll make it work) [cont]  
Put that down and clean this mess up  
End of conversation  
Put your back in it and  
Make it up to me now

Stop this right away  
Put that down and clean this mess up  
End of conversation  
Put your back in it and  
Make it up to me now

Are you with me?

You're only what you give back  
Back

(You're not golden  
And I'm getting tired  
Act like you own the place  
When really you've only just arrived)
