Rain drain my play away Sun gun me down and burn me Nature hates me today My head distorts reality

Madness just moved into my shadow

Shine - I will not cry and I will not die no Shine - I will be there for me Shine - I will not cry and I will be mine I'll shine - shine

Who waltzed me into this

Am I now stuck here forever?

Luck just gave me a kiss

Then lashed me down with a leather strap

Trying to learn to swim without any water

Trying just to begin just when youre in for the slaughter

Shine - I will not cry and I will not die no Shine - I will be there for me Shine - I'll be just fine if I stay all mine I'll shine - shine,

You will love me as a winner

Shine
