## **Cogito Ergo Sum**

## **Impaled Nazarene**

Painted my world black Destroyed everything I had Burnt all the bridges behind I was prepared to die Ready for Armageddon Then nothing came

Cogito Ergo Sum

Waited for another date For this shit planet to end Why the fuck it didn't go The way it was supposed

Not only I am bitter I am filled with hate All I ever was asking for This shit to end!

Haistakaapa vittu jo by Wildchild

So I am trying to reason Trying to carry on Yet I am hoping for Total mass destruction
