## **Conned Thru Life**

## **Impaled Nazarene**

I can't stand I can't think, I've had too much to drink Forced down my pills now I can't wait Gonna be fucked don't wanna be straight! Your view is restricted, so is your mind You've got to break down the barriers And use your mind. I drink too much but I've nothing to lose You stick to your fashion I'll stick to my booze Watching you preach has become rather bland What do expect to change with an 'X' on your hand?
