

Goat Sodomy

Impaled Nazarene

Fallen angels stream from heavens
They have heard Satan's call
Tonight we sacrifice innocence
We let virgin's blood flow
We smear Satan's semen on their faces
Carve their flesh with our knives
We rip out their virgin rectums
Feed them to the goats

Goat sodomy - Unholy trinity
Satanic sacrifice - Lucifer's law

We defecate on your graves
Dead god so forlorn
We masturbate on the crucifix
And fornicate your souls
Rotten cunts of dead pigs
We force down your throats
Your heirs are devastated
Bodybags are countless

Goat sodomy - Unholy trinity
Satanic sacrifice - Lucifer's law
Goat sodomy - Satanic deeds
Goats keep on screaming
As helpless rectums bleed
