Impaled Nazarene

The wisdom lies behind those swollen lips
Taste the fruit, find the xtasy
Jesus cunt syndicate
Suck your enemy, spit and pray
Jesus cunt syndicate
Energy fades away
The truth can be found in this wet path
Embrace your fate, open up to knowledge
Jesus cunt syndicate
Fuck your enemy, kill and prey
Jesus cunt syndicate
Sperm covered decay
All the pleasure, all the pain
The righteous way of the Jesus cunt syndicate
All the glory, all the shame
The righteous way of the Jesus cunt syndicate
Moment of truth, open to swallow
Punishment to come from the whipping master
Jesus cunt syndicate
Bathe in sperm of saviour race
Jesus cunt syndicate
Hellfire damnation journey
