

## Shine On

Impellitteri

Don't you fear what's coming?  
Don't be running away  
Stand and face your rival  
It's time for you to be brave

Shine on  
Don't you know  
That you can never be defeated?  
Shine on  
Don't you know  
That you should never be afraid?

Every day's a battle  
(Battle)  
Sometimes you want to give up  
(Don't give up)  
But the world just keeps on turning  
(Turning)  
And now you're rising above  
(Above)

Shine on  
Don't you know  
That you can never be defeated?  
Shine on  
Don't you know  
That you should never be afraid?  
Shine on  
Can't you see  
There's power in the heart of freedom?  
Shine on  
Can't you see  
There's justice in the hand of fate?

Shine on  
Don't you know  
That you can never be defeated?  
Shine on  
Don't you know  
That you should never be afraid?  
Shine on  
Can't you see  
There's power in the heart of freedom?  
Shine on  
Can't you see  
There's justice in the hand of fate?
