

The Age Of Antichrist

Impending Doom

We're here to retaliate the Resurrection of Christ
Reborn in Blasphemy

Let's crucifie

Into the Garden of the Crucified One
There, where Love dwells
We will fall to rip the Flesh...
...And to drink the Blood of the Holy

Crucifixion

Crawl to the Cross - Kiss the Sign of Jesus Christ
Pray & crawl - Are you satisfied
Is that your Life - Faithful Slave
I piss on you - I spit in your Face
Sheep like Race - I spit in your Face

Eat the Guts of Holy Virgin
Suck her Pussy dry
The Whore of God's now dreaming
Of Lust & tormented Skies

Rebirth - That's our Age, Antichrist
Reborn - To retaliate the Resurrection of Christ

I'm Antichrist
