Impending Doom

What do you love?

(What would you sacrifice yourself for?)
What would you sacrifice yourself for?

If you've seen a man whose [?]
Will you see God?
Will you face the flames?
Will you see nothing at all?
We all will find out soon enough
I am just a bitter and lost man in this world

I can't, I can't, I can't, I can't (Ugh) save you
Yeah!

Will you see God?
Will you see God?
Will you see God?
Will you see God? (Will you see God?)
(Christ is King)
