

Flower And The Sea

Imperia

I wandered lonely
On high vales and hills
When all at once

I saw a crowd of golden flowers
Like a bright glowing moon

I know a place
Where the world stands still

As the day ends to rest
The sunset does its best

That stood in sweet, sweet serenity
They have now voice
But seem to speak
A thousand words
So mild and meek

I know a place
Where the world stands still

As the day ends to rest
The sunset does its best
As the day ends to rest
The sunset does its best

As sign of beauty a symbol of grace
And its pride runs strong at a very fast pace
Have you ever heard of a flower
That never needs water and sun
And so, and so does our love

The waves are whispering to me
Calling me to the soft sand
The water sweeps
Over my feet
The waves are whispering to me
Calling me to the soft sand
The water sweeps
Over my feet

I know a place
Where the world stands still

As the day ends to rest
The sunset does its best

As the day ends to rest
The sunset does its best

Setting on fire the little lights
The nature it saves
The nature it saves
The nature it saves
The nature it saved
