

## Innocent Child

Se pa filmen min ihvertfall, alle sammen er  
Snille di som ser pa, og jeg er den snilleste  
Jenta som finnes...)

Her voice has been silenced  
She is out of sight  
Imprisoned in the crime  
On a desert place  
And her freedom got lost  
Hands reaching out  
And both of us, you and I  
Have a new hope instead

Why?, Tell me why?, life is so unfair  
To an innocent child  
With a bleeding heart  
And tears are flowing

(If I had wings, I would have flown to you  
If I had wings I would, had flown to you)

The tears keep running  
On a innocent child's face  
Why force to smile  
So the damages would seem less

Why?, Tell me why?, life is so unfair  
To an innocent child  
Defenceless with a bleeding heart
