

# Invisible Tears

Imperia

My tears are not a sign of weakness  
Their absence its not a sign of my strength  
They are a true expression of the pain and love

That live together in my heart

There's nothing I could ever say  
And nothing I could do  
There's nothing I could ever say  
To describe my love for you

As miserable as life seems  
When you're not with me  
I can't help but smile  
Thinking about how it will be

There's nothing I could ever say  
And nothing I could do  
There's nothing I could ever say  
To describe my love for you

I miss your hand  
I miss your voice  
If I just go to see you now  
I miss your hand  
I miss your voice  
I'd run to you  
If I just knew how

With long and silent hug  
All my worries would melt away

I miss your hand  
I miss your voice  
If I just go to see you now  
I miss your hand  
I miss your voice  
I'd run to you  
If I just knew how

I miss your hand  
I miss your voice  
Thinking about how it will be  
I miss your hand  
I miss your voice  
When we meet again

I miss your hand  
I miss your voice  
Thinking about how it will be  
I miss your hand  
I miss your voice  
When we meet again

I hate the nights where I feel so hollow inside  
I feel so lonely and out of place  
I hate the nights when my mind

Wanders to the unknown  
And all in return with sadness  
Cause I, I miss you  
My child, I miss you so much
