

The Ancient Dance Of Qetesh

Imperia

Wish there were another world to choose
Wish all hatred could just disappear
Wish the shade that covers my hopes
Would not be there

The dance of Qetesh
Moves like a snake
The dance of Qetesh

Wish the stars showed me the way
Wish my destiny's gateway were lighter
So I could see more clear
I'm dancing the dance of Qetesh

The dance of Qetesh
Moves like a snake
The dance of Qetesh
