

Left the cradle by the door
Now the baby's gone
The fault that left the door ajar
That's been spoken for
Beat my friend again
Oops, I'm best again
Come on, come on
Bought a ticket to the show
I don't want to go
Burned the theatre to the ground
Now I got to go
Looped on estrogen
Oops, I'm best again
Come on, come on
Crucible, crucible
Salmonella lacks of taste
That's the plight of plague
Love's been slayed by rules obeyed
Snuffed the serenade
Hooked on estrogen
Oops I'm best again
Come on, come on
Kissed my friend again
Oops, I'm best again
Come on, come on
