

The Hibernates

Imperial Teen

The road machine was waxed and cleaned
But the ... slow
No matter the shine, no matter the clean
The wheels just burn in slow
The best man... the patch for ...best show
Are the bronze to green, as I lost...steam
... down to fall

The trees were green, but the frost ...
The car ...the snow
The ash went freeze, the block... the hibernates below

You breaking up, you're broken
means unspoken... forever
and it's always... and it's working

The ice had gall by the grace of god
and the...form more
No he says, you're better off dead
And we've been through this before
So we took ...and it all by hand
As we carved through the...
The ... that crew,... what to do, for the hibernates before

You breaking up, you're broken
means unspoken... forever
and it's always... and it's working X 3
