

Atlantis

Imperio

The darkness
The sea
The love
Atlantis

Atlantis

Feeling water falls
Come down on me
Love in the waves
So deep and free

It's a world of love
Your love to me
Back to this world
Deep like the sea

The darkness
The sea
The love
Atlantis

Atlantis

It's a world of love
Your love to me
Back to this world
Deep like the sea

Come down on me
Love in the waves
So deep and free
