

Bitch! Never again!  
This is the last time  
You'll fight back again!  
Now's the time.  
You are mine.  
From now on you're dead with no soul.  
Breathe no more!  
Breathe no more!  
You beg me for mercy  
All bloody and sore!  
Breathe no more you filthy whore!  
I'm not done until you breathe no more!  
High on a personal throne  
Increasing the pleasure by doing it slow.  
Now's the time.  
You are mine.  
From now on you're dead with no soul.  
Breathe no more!  
Breathe no more!  
You beg me for mercy  
All bloody and sore!  
Breathe no more you filthy whore!  
I'm not done until you breathe no more!  
Suffocating T.P.S.  
All strength on the throat till death.  
Alive and louder than hell!  
Screaming while choking without any sense.  
Now's the time.  
You are mine.  
From now on you're dead with no soul.  
Breathe no more!  
Breathe no more!  
You beg me for mercy  
All bloody and sore!  
Breathe no more you filthy whore!  
I'm not done until you breathe no more!  
Breathe no more!  
Breathe no more!  
You beg me for mercy  
All bloody and sore!  
Breathe no more you filthy whore!  
I'm not done until you breathe no more!
