Imran Khan

Mere naal gall na kari je deposit na paya
Paake fer galleya karya je

Aa-aawange ni jado billon lawiye na der
Munda main The Hague dawan howa reappear
Gane sadde ajj jiven paindi hai chaped
Zero competition, kripya kare na compare

Sadde naal we tu karyi na bohota zada na interfere
Aaga ni lada sare ni passe, mitti te dawa main tel
Lakh wari pawein copy krle, ne ho jande ne ae fail
Loka ne kita bda we sannu under ni estimate
Sadde wangu hai industry wich aavega na koi fer
IK07 aunda baby jungle da hi hai sher
Sense na kar skde aa saare aisa na koi prepare
Ucchiya speedan gaddi diya ne tod dawa main gear
Front te rehndi hai har vele nazrein, wekhiye na rear
Sannu ki lage ki hai sochan, karan na really care
Lambiya laina lag gyia ne lashan da we dher
Re-incarnated makaveli, na koi Shakespeare
Ae-aena nu aawe na koi wal ne, tere was di na game
Aithe nawe koi strong h baby, saare feather like weight
Asa dudh me pita te badamma di aa plate
Aageyai peyo we tera, band te wekha gate
Aawange ni jade Freddy Krueger nightmare
Aina nu me dawa super comboshow ka flame
Girl teri scream kare roz sadda name
Thoda main aggressive baby, wild te untamed
Gaadi Buggati charso speed te jandia ni we tez
Always on the perfect timing, kadi na awan late
Aankhan ne saddiya band ni billo, fully mila awake
Na karan wait!
