# Knightridah

**Imran Khan**

Ni kariye ve room di light out red
Dinner ch layiye ni shots in my bed
Piche na tu vekh baby jave ae ahead
Ni lagda ve yaar tera avega na back
Mainu das ki chahni ae ve order
Unlimited calls no border
Je dil nu pasand lage harder
Sade mood nu kardi control
Menu karni hai tu understand
Tenu pyar karna ve broadband
Mainu kehndi ae ve ki ne plans
Long drives in amg benz
Ni tod gi tu so I see the sense
Zyada kiti si main speed intense (sauce)
Sanu veh tu de ik chance
Tere naal karan taan romance

I'm a knightridah
Do you wanna ride it all night long
Early in the morning
Sanu das de location, place and time
Jithe hove na disturbance
Je tu mainu mil jave ni alone
Sanu karni ae daring

Ni lagda ve scene menu rip
Main dava tenu songs te naal guarantee
Everything as always top quality
Na kade vi na aayi sadi tu territory
Ajj, I wanna chew in the wild
Tu karegi ve kive sanu handle
Ethe jungle ch too many snakes
Ehna nu fad k ve kariye ni strangle
Tu yo menu lagni ae savage
Tera dil karan kadi na main damage
Friday night road te damage
Tu main... ecos magic magic
Baby na ve kr ve tu stress
Pave kar lave police arrest
Sanu bas tere ch interest
Sanu keh if you don't in the best

I'm a knightridah
Do you wanna ride it all night long
Early in the morning
Sanu das de location, place and time
Jithe hove na disturbance
Je tu mainu mil jave ni alone
Sanu karni ae daring

Ni thodi jehi attention that's all she need
Kise nu na das de ni hai mystery
Sahnu tu ta lagni ae girl tu sweet
Tere to bgair meri life incomplete
Jadon tenu vekhan na aave breathe
Samne tu hove na kara believe
Tere vaste mera pyar extreme

Dil ohda lagda she don't wanna leave

I'm a knightridah
Do you wanna ride it all night long
Early in the morning
Sanu das de location, place and time
Jithe hove na disturbance
Je tu mainu mil jave ni alone
Sanu karni ae daring...
