IK da ae season baby come follow me (Aye)
Industry deh vich, Inna de meh remedy (remedy, Aye)
I'm a Outlaw, ni me kawa M.O.B

Who's on what, who's on what, who's running mouth running off when it
gets on top
Doing laps on the opp block put it on god
No cap me and my lot fully on crud
Late night sessions Man I could've went down like Rico did
I shot down shows then I reload it
Killer came home and they recalled him
Pull up buss it turn around, been on that block with a burner out
Bro got the boxes large amounts
Them man bang on fake accounts
Watching you, I ain't watching them, they watching me
For rise it up
You ain't got no P, can't ride for free
If I say that I done it, I do that fam
Man when the guns go off like From a young boy got my tool in hand
Wap in my palm, Me and Imran and Man violate I be back on remand stil
l with the bro's supply and demand
