Skrr, skrr, skrr

I'm on, I'm on my way  
Four, four exhausts on the whip, no need to race  
(Fiberglass)  
Fiberglass black tints can't see my face  
With the gloves on with these scales won't leave no trace (Yeah, yeah)  
(In a-In a) In the trap I'm tryin' to get away (Away)  
Got another call, I'm on my way (On my way)  
AMG, I'm speedin, I'm on my way  
Tun-tunnel vision when I'm switching lanes (Vroom, vroom, vroom)

Aa-aa-aa, I push to the limit out of the universe (What)  
Never gonna quit till I get what I deserve (Deserve)  
Baby bring It back bit down and reverse (Reverse)
