IMx

This is not a direct derogatory towards women  
This is only the meaning of what a trick is

Whoa (trick)  
Whoa, whoa, whoa, whoa  
At the end of the night she think it ain't fun  
If the homies can't have none (trick)  
Whoa, whoa, whoa, whoa (trick)  
If you got a tight back  
Whoa, whoa, whoa, whoa  
She's in it for the night (trick)

I ain't-ain't the one  
Back up girl you need to chill  
You need to slow it down  
You move too fast for me yeah  
I'm letting you know the deal  
And every time you come around  
You're trying to be down  
But you keep getting clowned  
Girl you need to quit  
Cause don't nobody love a trick

See a trick will give you some  
At the end of the night she think it ain't fun  
If the homies can't have none  
Wanna get your thing on  
It won't take long  
Cause a trick will give it up  
If you got a tight back  
She's in it for the night  
For me she ain't the one  
Cause I need a real love  
And not just a hit and run

Everybody gets to hit  
It don't take much cause you're a freak  
If you think he's a playa balling  
You'll be on the phone calling (trick)  
Trying to get a late night creep  
And every time you come around  
You're trying to be down  
But you keep getting clowned  
Girl you need to quit  
Cause don't nobody love a trick

See a trick will give you some  
At the end of the night she think it ain't fun  
If the homies can't have none  
Wanna get your thing on  
It won't take long  
Cause a trick will give it up  
If you got a tight back  
She's in it for the night  
For me she ain't the one  
Cause I need a real love

And not just a hit and run

For all the girls with no class  
We don't want it, we don't want it  
For all the girls that move too fast  
We don't need it, we don't need it  
See what I need is a girl who's got my back  
Now jumping in the back of every Jeep or Cadillac  
A girl that don't give it up on the first date  
Can you relate?

Whoa, whoa, whoa, whoa  
See a trick gets her some  
At the end of the night she think it ain't fun  
Wanna get your thing on  
It won't take long  
Whoa, whoa, whoa, whoa

Wanna get your thing on  
It won't take long  
Cause a trick will give it up  
See I need a girl who's right for me  
Someone that will love me endlessly yeah  
I need a real love and not just a hit and run

At the end of the night she think it ain't fun if whoa, whoa, yeah  
Wanna get your thing on
