

# The Weight Of Regret

In Dying Arms

Do you remember?  
The last words you said to me?  
Neither do I  
This weight is getting hard to carry  
The weight of my regrets  
Now I let it fall  
This weights getting harder to carry  
As your body has fallen to the floor  
With these hands I will hold you forever  
As your screaming and crying for more  
I regret everything that I said  
My life is no longer the same  
With these hands I will hold you forever  
With these hands I will hold you forever  
I know your in a better place.  
The only thing that keeps me going  
Is the thought of your face.  
I, remember.  
What have you done?  
Is there something more than this?  
Will I ever hear your voice again  
I never got to say goodbye  
I know your in a better place.  
The only thing that keeps me going  
Is the thought of your face.  
I remember us (you ask if I...)  
I remember us  
(The only thing that keeps me going is your...)  
Forgive me. What have I done?  
Darling, We were so young  
I remember us  
You ask if I remember this  
Bitch I remember everything  
You just werent meant for me.
