

# Stay with Me

In Flames

Don't ever let them use you  
They will bring you to your knees  
I'll try to lead you for awhile  
But every time I talk to you you're too afraid to see

Open your eyes  
(Breathe in life)  
Open your eyes  
(Breathe in, breathe out)

Oh I, I can see the light  
Stay with me  
Away from the darkest of nights  
Stay with me

Stay with me (Stay with me)  
Stay with me  
Stay with me (Stay with me)  
Stay with me

I don't know if you're ready  
You should see where I have been  
I don't know if you're ready  
And I don't know where to begin

Open your eyes  
(Breathe in life)  
Open your eyes  
(Breathe in, breathe out)

Oh I, I can see the light  
Stay with me  
Away from the darkest of nights  
Stay with me

Stay with me (Stay with me)  
Stay with me  
Stay with me (Stay with me)  
Stay with me

I, I can see the light  
Stay with me  
Away from the darkest of nights  
Stay with me

Stay with me (Stay with me)  
Stay with me (Stay with me) Stay with me (Stay with me)  
Stay with me

Stay with me (Stay with me)  
Stay with me (Stay with me) Stay with me (Stay with me)  
Stay with me  
Stay with me  
Stay with me  
Stay with me
