

## Plain View

## In Her Own Words

Barriers holding me back,  
Holding everything I never  
Had the fucking guts to say.  
This is me putting you in your place.

I used to be the ground and you  
Used to walk all over me.  
Broke away from everything  
That used to get the best of me.  
And now I've become what you said I'd never be;  
A product of progress.  
And I'm drawing circles with my eyes again.  
I know you can't see them.

Build me up just to tear me down.  
Never again will you push me around,  
And find someone with something you never saw in me.  
Now I don't wish you the best,  
I don't wish you the best,  
And I'm glad that you won't be around to see  
The changes that I have been making.  
The changes that I have been making,  
That can identify  
The chances I'm afraid of taking.  
This isn't worth the time anymore.  
This isn't worth the time anymore.  
This isn't worth my time.
