

# Girlfriend

In Stereo

Is it my birthday?  
Can I make a wish right now?  
I know it's too late  
But I'll blown my candles out

3AM I pretend that we're only friends  
In the end we'll be dancing by the pool again  
And you know what I'd do if I had the chance  
Would you be my wish tonight

I got a girlfriend  
But I want it to be you, somehow  
I got a girlfriend  
And I don't know what to do right now, right now

You want a secret  
But I want the world to know  
And I knew I couldn't keep it, no  
When you took all my control

4AM you pretend that you will forget  
In the end, we're just dancing by the pool again  
If we make a mistake it won't happen again and again and again and again

I got a girlfriend  
But I want it to be you, somehow (but I want it to be you)  
I got a girlfriend (I got a girlfriend)  
And I don't know what to do right now, right now (and I don't know what to do)

And I wouldn't mind if this night would never end (and I don't know what to do, yeah)  
But for now lets keep these memories and do it again

I got a girlfriend  
And I don't know what to do right now, right now

You're not making it easy  
Making it easy  
Baby can we make this easy  
I should be sorry  
I should be sorry  
I should be sorry

You're not making it easy  
Making it easy  
Baby can we make this easy  
I should be sorry  
I'm not sorry

I got a girlfriend  
But I want it to be you, somehow, somehow  
I got a girlfriend (I got a girlfriend)  
And I don't know what to do right now, right now

I got a girlfriend  
But I want it to be you, somehow (but I want it to be you)

I got a girlfriend (I got a girlfriend)  
And I don't know what to do right now, right now

(I got a girlfriend...)
