

# Good Enough

In Stereo

Just a month ago you were in my arms begging me please don't go  
I said I got to leave for a couple weeks but I'll be back before you know  
It was like 1, 2, 3 just you and me, thought everything was fine  
But when I came back home you didn't pick up your phone all I could do was wonder why  
Then I saw you with another guy

I knew you were gone when I saw you getting out of his van dancing to the radio  
You were looking in his eyes the way you look in mine just a few weeks ago  
And I heard you made plans to travel the world  
But girl what happened to us?  
Now you're holding his hand and smiling so grand  
I guess I wasn't good enough  
No, oh  
No I guess I wasn't good enough

Well it all started when you needed space  
(Ok)  
You said I was too in your face  
(What?)  
You wanted some time alone  
(Whatever)  
Well I guess I should've known  
You were going down out of town with another guy  
I was on my own writing poems tryna pass the time  
I didn't see it coming  
But it was right before my eyes  
But I'm feeling good tonight

I knew you were gone when I saw you getting out of his van dancing to the radio  
You were looking in his eyes the way you look in mine just a few weeks ago  
And I heard you made plans to travel the world  
But girl what happened to us?  
Now you're holding his hand and smiling so grand  
I guess I wasn't good enough  
No, oh  
No I guess I wasn't good enough

Then you caught me watching from right across the road  
I was standing at your door  
Waiting for you to come home  
You looked into my eyes  
There's no more disguise

And I knew you were gone when I saw you getting out of his van dancing to the radio  
You were looking in his eyes the way you look in mine just a few weeks ago  
And I heard you made plans to travel the world  
But girl what happened to us?  
Now you're holding his hand and smiling so grand  
I guess I wasn't good enough  
(I guess I wasn't good enough)  
No, I guess I wasn't good enough  
No, I guess I wasn't good enough  
No, I guess I wasn't good enough

Or maybe you weren't good enough
