

## Room 101

In Strict Confidence

Straight ahead  
In the head  
In a dark room  
The tortured soul  
Captured  
In chains  
In prisoned

Anger in isolation, Anger in isolation  
Anger in isolation, Anger in isolation  
Strange, strange, strange, strange

This is a lie!  
This is a lie!  
Outrage, under pressure!  
Outrage, under pressure!
